# Join the Columbia Slough Watershed Council for Slough Celebration Gala

---

*The year 2020 marks the start of a new decade, the 50th anniversary of Earth Day, and the beginning of our second generation as the Columbia Slough Watershed Council. It is also the 20th year of the Henrietta Awards, which recognize outstanding contributions to the health of our watershed in Leadership and Achievement. Now, more than ever, we are inspired by the passion of our community members, the dedication of our volunteers, and the support of local businesses that have joined the Council in protecting and enhancing our land and waterways.*

*This April, you have the opportunity to ensure the longevity of a healthy watershed through giving. The Slough Celebration Gala is our signature benefit event, through which we recognize community leaders and raise vital support for environmental stewardship, education, and equitable access to nature. We invite you to join us in celebrating each other's successes and planting the seeds for a promising and sustainable future.*

## About the Council

---

Since 1994, the Columbia Slough Watershed Council has been bringing community together to discover, learn, and restore the 60 miles of waterways and wetlands known as the Columbia Slough Watershed. We engage people from all walks of life in habitat restoration, outdoor recreation, and environmental education, empowering each other to steward and protect the land we call home. From biking and birding to canoeing and clean-ups, the Slough has something for everyone. Together, we can make this hidden gem shine.
